"You can't connect the dots looking forward,  
only looking back" ~Steve Jobs

There are no mistakes.  
There really aren't any, because you  
have a supreme destiny...  
There's a supreme moment of  
destiny calling on your life.  
Your job is to feel that, to hear that,  
to know that and sometimes, when  
you're not listening,  
you get taken off track.  
You get in the wrong marriage,  
the wrong relationship, you take  
the wrong job. Yeah, but it's all  
leading to the same path.  
There are no wrong paths.  
There are none.  
There's no such thing as failure  
really, because failure is just that  
thing, trying to move you in  
another direction.  
~Oprah Winfrey

The sheets are "generic" but can be used for any of the
